

ARESCO HF-SSB Net Script

Sunday; 08:00 Local

Frequencies: Primary – 3.810 MHz; Secondary – 7.235 MHz

ORM Alts: +3, -3, +6, -6 [KHz]

Revised 4/1/2008

This is [CALLSIGN], [NAME], in [CITY], district [NUMBER] calling the Colorado Amateur Radio Emergency Service HF SSB NET.

This net meets each Sunday at 08:00 Mountain Time on 3810 kHz for the purpose of emergency communications training and coordination throughout the Colorado section. All amateurs are welcome. Colorado ARES members and officers are encouraged to check in to pass on District and Section news, activities and upcoming events.

This is a directed net, please use plain English, standard ITU phonetics, and no 'Q' signals. When checking in, list your call, name and ARES district.

This is [CALLSIGN], Net Control Station for this session of the Colorado ARES HF Net.
